

## Release Notes

4.16.9.0

### Added

- Added "Date Taken" column to **Student Scores Explorer**
- Added a new tab for configuring authentication methods
- Added optional user provisioning for SAML SSO.

### Changed

- Updated MAP NE NE Predictors for new Nebraska Linking Study
- Updated the Viewpoint and Viewpoint Admin Login UIs.
- Updated main menu Viewpoint top navigation bar with updated color scheme and logo resolution

### Removed

- Removed growth panels from MN State Accountability reports as growth is no longer a score type the Minnesota Department of Education makes available. In addition, Z-Scores are no longer supported
