

Release Notes

[4.16.22.0]

Added:

- An editable email address field when modifying users using the Administration application.

The email field will be important for the upcoming password reset and MFA features.

Rolled:

- Venn rules to 2023

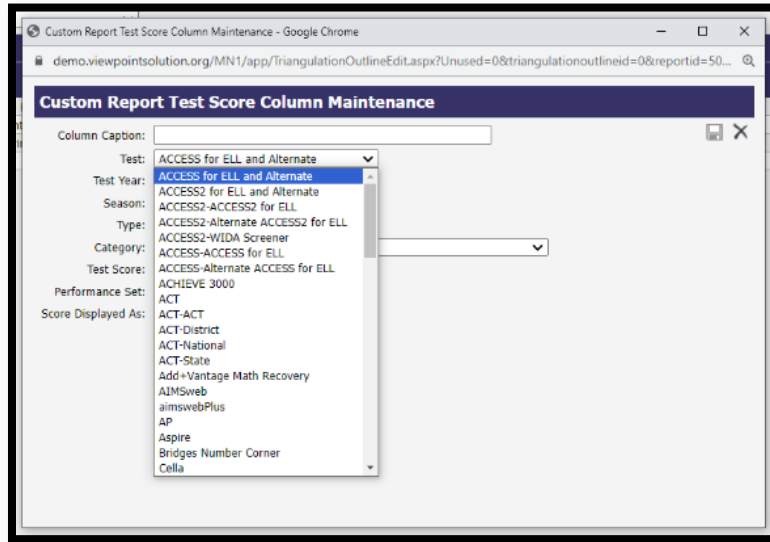

Updated:

- The default *Date Taken* field in the **Student Test Recap - Test Entry** report

Removed:

- Leftover existing MN OLPA and ACT EXPLORE columns from Custom Reports.

Fixed:

- A crash that was happening to teachers with access to schools, without a current or selected year roster on **Teacher Reports** tab.
