Release Notes [4.17.4.0]

Added

- **FAST Score Types** – *Items Correct Per Minute* and *Rate (per 10 min)* were added to the Student Details/Test Results (cumulative file)

The screenshot displays the Viewpoint Student Demographics Explorer interface. The main content area shows test results for a student, categorized into State Tests, National Tests, and District Tests. The National Tests section is expanded to show results for 'Fast - English Sep 08, 2023 (Grade 08)'. The results are as follows:

Test	Score	Percentile Rank	Risk Level	Items Correct	Rate (per 10 min)
Adaptive Math	59	31-85%ile			
Adaptive Math	59	31-85%ile			
Adaptive Math	77	31-85%ile			
Adaptive Math	236	60th or Higher (Low Risk)			
CBMMATH Automaticity	76	31-85%ile			
CBMMATH Automaticity	37				
CBMMATH Automaticity	9				
CBMMATH Automaticity	93	Low Risk			

The District Tests section shows results for two students: Adelman, Brandon (11, Male, White, No, 10/12/2006, No) and Adelman, Clayton (07, Male, White, No, Leah Mockenhaupt, No, 03/08/2011, No).

Changed

- **Test Growth Details** - Updated so the *Met Growth Score* displays as “Yes/No” rather than a number.
- **UI** – Several minor improvements
- **Viewpoint Next** – Enabled LDAP logins

Fixed

- **SWIS Import** – Fixed additional minor bug.
